

200mm Small Angle Lens LED Traffic Light Module

Model No. : CLXJD200-R

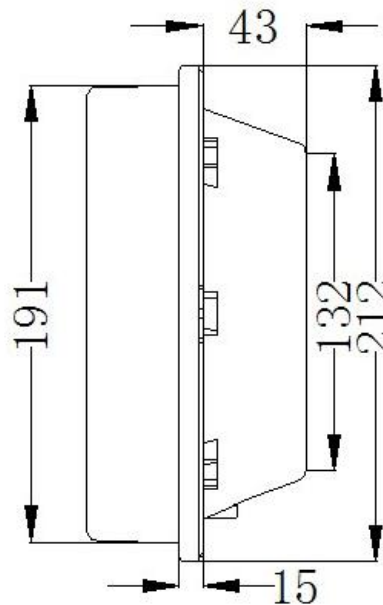

Model No. : CLXJD200-Y

Model No. : CLXJD200-Y

Product Feature

- 1, The appearance is beautiful and elegant;
- 2, High efficiency, high brightness of LED light source, large viewing angle;
- 3, Compared with the incandescent lamp, the LED light can save energy of 90%;
- 4, Life-span can up to more than 7 thousand hours;
- 5, Automatically adjust light can be optional;
- 6, 20% failure automatical cut off can be optional
- 6, Unique optical system and the uniformity of colors
- 7, Multiple seal, waterproof and dustproof;
- 8, Complies the standard of GB14887-2003;
- 9, CE certification

INSTALLATION

Unit :mm

Technical Parameter:

Color	Qty of LED	Light intensity(cd)	Wave length	Visual angle		Power	Input voltage	Crust Material
				L/ R	U/D			
Red	90pcs	>400cd	625±5nm	60°	20°	≤8W	AC 85V-265V 60 HZ/ 50HZ	polycarbonate
Yellow	90pcs	>400cd	590±5nm	60°	20°	≤8W		
Green	90pcs	>400cd	505±3nm	60°	20°	≤9W		

Packing Info. :

Carton size	QTY	GW	NW	Wrapper	Volume(m3)	Qty./40'FCL
104*25*25cm	10pcs/carton	9 Kg	7 Kg	Carton	0.065
